

«Curriculum vitae»

First Name : Akbar

Last Name : Rostaminejad

Degree : Masters

Field : Anesthesiology

Department : School of Paramedical Science, Yasuj, Iran

Academic Rank : 37

Phone number : +98 917 341 0043

Email(s) : rostami.akbar@yums.ac.ir , rostaminejad1962@gmail.com ,
rostaminejad_ar@yahoo.com

Educations :

Associate Degree of Nursing, Shiraz University of Medical Sciences (1983-1985)

Bachelor of Nursing, Isfahan University of Medical Sciences (1986-1988)

Masters of Anesthesiology, Kerman University of Medical Sciences (1991-1993)

Job status :

Faculty member and head of Anesthesiology department, Yasuj University of Medical Sciences

Responsibilities :

Head of Paramedical school (1995-1999)

Head of Anesthesiology department (1995- 2012)

Chief of the Paramedical student research committee (2002-2008)

Research Officer, Faculty of Paramedicine (2002-2003)

Educational Assistant of Paramedical school (2012-2016)

Head of Anesthesiology department (2016- Present)

Advisor of Anesthesia students (1995- Present)

Advisor of self-employed students of the Paramedical school (2012- Present)

Membership in various councils and committees :

Educational council faculty of Paramedical (1995- Present)

Research council faculty of Paramedical (1995- Present)

Official council faculty of Paramedical (1995- Present)

Member of EDO faculty of Paramedical (2007- Present)

Member of the internal assessment committee of the faculty of Paramedical (2007- Present)

Member of the committee for academic assessment of university exams (2003-2008)

Member of the disciplinary appeals council of the university (2008-2017)

Member of the school of Paramedicine curriculum (2016- Present)

Member of the supervisory board of Yasuj medical student council (2016- Present)

Approved Projects :

1. The effect of oral ketamine as an anesthetic premedication on reducing anxiety caused by parent dissociation (Presenter)
2. The effect of TENS in control of pain after selective cesarean surgery (Presenter)
3. Effect of diclofenac suppository on shivering after general anesthesia in cesarean section (Presenter)
4. Investigating the operation of the operating room personnel regarding infection control measures in the operating rooms of Yasuj hospitals (Presenter)
5. Study of arterial oxygen saturation of newborns born with normal vaginal delivery and cesarean section using Pulse Oximetry (Co-author)
6. Investigating the relationship between melatonin and certain serum inflammatory indices before PCNL surgery in renal stones (Co-author)

Compilation and translation of the book :

English for anesthesia students (2014)

ISI articles published :

1. Management and treatment in acute lymphoblastic leukemia: A review article (2014)
2. Efficacy of eye movement desensitization and reprocessing on the phantom limb pain of patients with amputations within a 24-month follow-up (2017)
3. Olive Oil as Treatment for Bedsore: a Randomized Clinical Trial (2017)

Persian articles published :

1. The effect of oral ketamine as an anesthetic drug on reduction of anxiety due to separation from parents in children aged 7-2 years old due to selected surgery. Journal of Arak university of medical sciences, 2002. (First author)
2. Effect of nerve stimulation through the skin in controlling pain after cesarean section. Armaghan Danesh Scientific Journal, 2004. (First author)
3. The Effect of Diclofenac Suppository on Shivering After General Anesthesia in Selective Cesarean Surgery. Armaghan Danesh Scientific Journal, 2004. (First author)

4. The effect of local heat in the chest region on the prevalence of sore throat and voice violence after tracheal intubation. *Armaghan Danesh Scientific Journal*, 2004. (Co-author)
5. The status of internship in the field from the perspective of the final semester students of the operating room and anesthesiology. *Quarterly Journal of Guilan Medical Education*, 2004. (First author)
6. The level of anxiety and its related factors in the clinical setting in the operating room and anesthesia students. *Quarterly Journal of Guilan Medical Education*, 2005. (Co-author)
7. Frequency of accidents in injured children referring to the events of Shahid Beheshti hospital of Yasuj. *Armaghan Danesh Scientific Journal*, 2003. (Co-author)
8. A study on the knowledge and practice of nursing staff in hospitals in Yasuj, about the control of hospital infections. *Armaghan Danesh Scientific Journal*, 2005. (Co-author)
9. Prevalence of headache after general anesthesia with inhalable gases in patients referring to hospitals affiliated to Yasuj university of medical sciences. *Armaghan Danesh Scientific Journal*, 2007. (First author)
10. The necessity of clinic evaluation of patients before anesthesia and surgery from the viewpoint of surgeons. *Journal of Yasuj Nursing and Midwifery Faculty*, 2007. (First author)
11. The effect of oral ketamine as an anesthetic prophylactic on the likelihood of children. *Journal of Anesthesiology and Special Care*, 2002. (First author)
12. Evaluation of the comprehensive information form used in the EMS ward of 115 Yasuj. *Journal of Rafsanjan University of Medical Sciences*, 2008. (First author)
13. Effect of magnesium sulfate on the prevention of atrial fibrillation arrhythmia in patients undergoing coronary artery bypass graft surgery. *Armaghan Danesh Scientific Journal*, 2008. (First author)
14. Evaluation of Awareness Students' Knowledge from their Current Field. *Dena Quarterly*, 2009. (First author)
15. The sedative effects of midazolam in the nose before induction of general anesthesia in children. *Ahvaz Medical Center Journal of Medical Sciences*, 2010. (First author)
16. Operation of operating room personnel regarding compliance with infection control measures in Yasuj medical hospitals. *Armaghan Danesh Scientific Journal*, 2011.
17. 18-month follow-up on the effectiveness of eye movement prevention and rehabilitation of limb amputation. *Iranian Journal of Anesthesiology and Special Care*, 2014. (Co-author)
18. Studying the learning styles of Yasuj nursing and midwifery students based on the learning model of WARAK. *Armaghan Danesh Scientific Journal*, 2014. (Co-author)

Conferences and Seminars (Paper - Posters) :

1. Investigating the Factors Affecting the Implementation of Community Education. Fourth National Conference on Medical Education, 2000. (Co-author)
2. Comparison of two methods of disinfection to control infection in the operating room of Yasuj Hospitals. National Congress of Surgical Care, 2001. (Co-author)
3. Evaluation of the effect of oral ketamine as an anesthetic prescription in children aged 7-2 years old. Nursing and Midwifery Conference in Kermanshah, 2002. (First author)
4. The effect of oral ketamine on decrease pain and awareness due to Intravenous needle at anesthesia in children 2-7 years old. National Congress of Pain in Shahed university, 2002, Poster. (First author)
5. Prevalence of headache after spinal anesthesia in Shiraz hospitals. 3rd annual pain conference in Iran, 2003, Poster. (Co-author)
6. Infection control in anesthesia The first conference of occupational health in the operating room. Army Medical University, 2003. (First author)
7. War and Women's Health. 3rd National Congress of Military Medicine of the Army University of Medical Sciences, 2004. (Co-author)
8. Effect of electrical stimulation of the nerve through the skin in controlling post-cesarean pain. National Seminar on Nursing department of Gorgan University, 2003. (First author)
9. Effects of TENS on hemodynamics and drug use after cesarean section. 8th International Women and Obstetric International Congress, 2003. (First author)
10. The Effect of Diclofenac Suppository on Reducing Shivering After General Anesthesia in Selective Cesarean Surgery. 2nd International Congress of Anesthesiology and Special Care in Tehran, 2004. (First author)
11. Effect of local heat on the incidence of sore throat and post-traumatic intubation. 2nd international congress of anesthesia and special care in Tehran, 2004. (Co-author)
12. The Effect of TENS on the Consciousness and Interaction of Mother and Baby in Recovery. First Women's Health Seminar in Sanandaj University of Medical Sciences, 2005. (First author)
13. The effect of TENS on postoperative pain. 13th International Congress of Anesthesia in Paris, 2004. Poster
14. Bioterrorism and Anesthetic Care. 2nd National Congress of Defense against biological agents in Imam Hossein University, 2004. (First author)
15. A Survey on Drug Discrimination Syndrome in Neonates. 3rd National Congress on Addiction in Yazd, 2005. (Co-author)

16. Dangers of anesthesia gases in the operating room. National Congress of Professional Pathology in Birjand, 2005. (First author)
17. Latex Allergy. General Conference of Professional Pathology in Birjand, 2005. (First author)
18. The Effect of Diclofenac Suppository on Post-General Anesthetic Pain in Recovery. First Symposium on Safe Pregnancy in Shahid Beheshti University, 2005. (First author)
19. The status of internship in the field from the viewpoint of students of Anesthesiology. The 7th National Conference on Medical Education in Tabriz, 2005. (First author)
20. The status of internship in the field of anesthesiology students. The 5th Scientific Seminar of Yasuj University of Medical Sciences, 2007. (First author)
21. Evaluation of Anesthesia Students Viewpoints on the Stressful Situations in the First Clinical Experience. The 9th National Congress of Yazd Medical Education, 2007. (First author)
22. Comprehensive Yasuj EMS form design. The 5th International Congress of Medical Specialists in Tehran, 2007. (Co-author)
23. MS and Mental Illness. First National Congress of Psychology in Isfahan, 2007. Poster
24. Migraine in childhood and adolescence. The first congress of psychiatric medicine in Isfahan, 2007. Poster
25. Accepting 8 First author articles in 14th International Congress on Trauma and Medical Expectations in Qatar, 2008.
26. Effect of oral ketamine as an anesthetic precursor
27. Effect of diclofenac suppository on shivering after general anesthesia
28. Effect of TENS on pain after cesarean section
29. Effect of Midazolam on the nose on sedation before anesthesia in children
30. The effect of local heat on sore throat and voice violence after intubation of the chip
31. Physicians' Viewpoint on Anesthesiology Clinic Assessment of preoperative patients
32. Outbreak of headache caused by general anesthesia after using anesthetic gases
33. Evaluating and Designing a Comprehensive Patient Survey in EMS of Yasuj
34. A Survey on the Performance of Nursing Personnel Based on the Operating Room and Anesthesia from the Viewpoints of Nursing Managers of Yasuj University of Medical Sciences. National Conference on New Ideas in Nursing and Midwifery, 2008. Poster
35. Assessment of Awareness Students Knowledge of their Current Field. National Conference on Medical Education in Shiraz, 2009.

36. Use of Clinical Experience of Anesthesia Students and Last Year's Operating Room in Clinical Education of New Students. National Conference on Medical Education in Shiraz, 2009.
37. Assigning a unit of apprenticeship to an apprenticeship in blood bank events. National Conference on Medical Education in Shiraz, 2009.
38. Conducting an internship in out-of-center hospitals. National Conference on Medical Education in Shiraz, 2009.
39. Evaluation of the implementation of 2 units of internship in the operating room students in the EMS unit. National Congress of Medical Education in Shiraz, 2009.
40. Relaxation of intradermal midazolam on sedation before induction of anesthesia in children. National Conference on Child Well-Being Health in Yasuj, 2009.
41. The Relationship between Children's Memory and Nutrition from the Perspective of Traditional Iranian Medicine. National Conference on Child Well-Being Health in Yasuj, 2009.
42. Patients' Views on postoperative pain in patients undergoing cesarean section in Imam Sajjad Hospital in Yasuj. (Co-author)
43. The rights of AIDS patients at the national conference. Opportunities and challenges for establishing patient rights. (First author)
44. The bill of Rights of the patient at the pharmacy.
45. The bill of Rights of the patient in Iran and the challenges ahead. (First author)
46. Satisfaction rate of patients referred to the operating room of Imam Sajjad hospital of Yasuj. (Co-author)
47. The prevalence and effective factors for drug mistakes and patients' rights in terms of treatment groups employed in Yasuj. (Co-author)
48. Effect of lidocaine gel on postoperative pain after hemorrhoidectomy. National Paramedical and Health Congress, 2012. (First author)
49. Comparison of the effects of pethidine, dexamethasone and placebo in preventing postoperative shivering. National Paramedical and Health Congress, 2012. (First author)
50. Comparison of Effectiveness of Larangoscope Disposable Blades with Multi-Use Metal Blades. National Paramedical and Health Congress, 2012. (First author)
51. Brain injury, evaluation, resuscitation and primary measures. National Paramedical and Health Congress, 2012. (Co-author)
52. Comparison of the effect of general anesthesia and spinal anesthesia on Apgar score of neonates born by elective cesarean section. National Paramedical and Health Congress, 2012. (Co-author)
53. Trauma to the chest and anesthesiologist. National Paramedical and Health Congress, 2012. (Co-author)

54. An Investigation of the Factors Affecting Anxiety Before Anesthesia and Surgery in Patients Referred to Hospitals in Yasuj. National Paramedical and Health Congress, 2012. (Co-author)
55. Surgery-related infections and ways to prevent it. National Paramedical and Health Congress, 2012. (Co-author)
56. Comparison of Apgar score of neonates born with cesarean section with general anesthesia and spinal anesthesia. National Paramedical and Health Congress, 2012. (Co-author)
57. Quran and mental health. National Conference on Qur'anic Studies and Medicine in Fasa University of Medical Sciences, 2011.
